

## **Point System for Officers and Committee Leads AGS 2017-2018**

All Committee Chairs and Project Leads (this includes Officers that are leading events) are to turn in sign-in sheets within **2 weeks** of the event.

**1 point will be deducted from the Project Lead if the points are not submitted within 2 weeks.** Points submission forms must match the Vice President's records so it is important to turn everything in in a timely manner.

Officers that are working on projects during their own time are to log their own points and update the Vice President **every 2 weeks. Officer projects are anything that we do outside the club meeting that correlates with our officer roles.** Feel free to send your updates via text or email.

If you as an officer have no points to update regarding a project, send the update through text or email stating that there are 0 points to update.

**12/12** is the last day of instruction and everything **must** be turned-in by then.

If you have any questions regarding your points you will have to contact the Vice President directly; members will be made aware of this at the beginning of the Fall semester.

Let the Vice President know if you have any questions.

Denisse Hernandez

**AGS Vice President**
